

## Directions to the Van Andel Arena

There are several expressway off-ramps that will provide access to the numerous downtown parking facilities located throughout the downtown core. It is anticipated that Fulton Street, the US-131 Market Avenue Exit and the US-131 Downtown Exit will be heavily utilized. For quicker access to and from arena parking sites, we suggest the following travel routes:

**From points NORTHWEST (Muskegon):** Travel I-96 East to US-131 South. To access parking facilities north of Fulton use the Pearl Street Exit (85B). To access parking facilities south of Fulton use the Wealthy Street Exit (84A).

**From points NORTH (Cadillac):** Travel US-131 South. To access parking facilities north of Fulton use the Pearl Street Exit (85B). To access parking facilities south of Fulton use the Wealthy Street Exit (84A).

**From points EAST (Lansing):** Travel I-96 West to I-196 West. To access parking facilities north of Fulton use the Ottawa Street Exit (77C). To access parking facilities south of Fulton move to the left hand lane of I-196 West to merge on to US-131 South (Exit 77B). Use the Wealthy Street Exit (84A).

**From points SOUTH (Kalamazoo):** Travel US-131 North. To access parking facilities south of Fulton use the Franklin Street Exit (83B). To access parking facilities north of Fulton use the Pearl Street Exit (85B).

**From points SOUTHWEST (Holland):** Travel I-196 East. To access parking facilities south of Fulton use the Market Avenue Exit (73). To access parking facilities north of Fulton use the Ottawa Avenue Exit (77C).

**For LOCAL (Grand Rapids Area) access:** City streets are convenient alternatives to expressways for local traffic. To access parking facilities north of the arena we recommend the local streets north of Fulton (such as Division, Ottawa, Monroe, Bridge/Michigan, Pearl). To access parking facilities south of the arena, use local streets south of Fulton (such as Market, Wealthy, Ionia, Division). Once again, we anticipate Fulton Street will be heavily utilized. Alternative city streets are the best choices for local traffic.

There will be highway and street side signage to assist you in making your way to arena parking sites. Once you are downtown look for maroon "Arena Parking" signs to access the facility and rate of your choosing. Call the City of Grand Rapids Parking Services at (616) 456-3290 for additional parking information.
