## Volunteer Opportunities

### Volunteer Overview:

Running a successful National Championship is a big undertaking, and is only successful when everyone pitches in to help. The clock is ticking down to the opening ceremonies, and we need you to help make the 2006 United States Synchronized Team Skating Championships a grand success. There's no special expertise required, training will be provided. There's so much to do, and we need your help!

### Details and Requirements:

Volunteers can sign up for a 6 hour block of time. The LOC volunteer coordinator will assign a volunteer to a particular task, either at Van Andel Arena(competition rink) or at Standard Federal Ice Center (which is 9 miles from Van Andel Arena).
